

Loud and proud

Karaoke kings and queens flocked to Leeds' most tuneful new venue in style.

VENUE: OK Karaoke

The exclusive karaoke bar, OK Karaoke, located just off Greek Street, opened with a bang at its new home of Leeds. This unique karaoke bar has seven booths to hold four to 30 people and 10,000 tunes to sing to while staff are just a button away to order food and drink.

Hosted by Hairy Lemon, the launch party included VIPs and complementary drinks and sushi style canapés served to complement the Japanese vibe of the venue. Tom Jones and Elvis look-a-likes made an appearance and sang a few of their own classics.

There are touch screen monitors, backing vocals and strobe lights and there are even Deluxe VIP Rooms with props such as wigs, inflatable guitars and tambourines to use. A custom built stage in the main room is where all of the classics in the OK Karaoke Songbook from Abba to Marilyn Manson can be sung.

There are also two menus: one for the booth and the other for main meals. There are lots of eastern delicacies such as salmon platters and Far East beef and there is also a collection of wines, spirits, cocktails and champagne.
